TECHNICAL SKILLS

- **Languages:** JavaScript, TypeScript, C++, C, Python
- **Frontend:** HTML, CSS, React.js, Next.js, Tailwind, Zustand, Recoil, Framer Motion, GSAP, ShadCN
- **Backend:** Node.js, Hono, Express.js, NextAuth, JWT, Zod, Prisma, Firebase, WebSockets, Socket.io
- **Database:** PostgreSQL, MongoDB, MySQL
- **Tools:** Git, GitHub, Copilot, Postman, VSCode, V0, Cursor
- **Concepts:** OOPs, OS, DBMS, Computer Networks

PROJECTS

NoteCraft Github | Website
Technologies: React.js, TypeScript, Hono, Cloudflare Workers, PostgreSQL, Prisma

- Built complete **full-stack blog application** for writing, editing, and publishing posts.
- Developed custom APIs using **Hono** and deployed with **Cloudflare Workers** for edge performance.
- Features include markdown support, dynamic routing, and blog customization.
- Strengthened foundations in client-server architecture and deployment pipelines.

MessageHub Github | Website
Technologies: Next.js, TypeScript, Tailwind, Pusher, NextAuth, Zustand, Prisma, PostgreSQL, Cloudinary, Vercel

- Built real-time **chat application** with live messaging, room creation, and secure sessions.
- Integrated **Pusher** for scalable, low-latency real-time communication across users.
- Used **NextAuth** for session management and **Zustand** for lightweight state control.
- Tackled challenges in **real-time sync, message persistence, and concurrent user handling**.

MangaHaven Github | Website
Technologies: Next.js, TypeScript, Tailwind, NextAuth, Next.jsBackend, Cloudinary, Docker, PostgreSQL, Vercel

- Developed modern **manga reading platform** with stunning visuals and optimized performance.
- Integrated smooth animations using **Framer Motion and GSAP** for engaging UX.
- Implemented secure **authentication with NextAuth and Prisma Accelerate**.
- Built scalable APIs for manga operations and containerized with **Docker CI/CD pipelines**.

EXTRA-CURRICULAR ACTIVITIES

- Practice DSA focusing on problem-solving patterns, optimization, and system design fundamentals.
- Solved 200+ problems on **LeetCode** - </> leetcode.com/u/shailesh

EDUCATION

- **Institute of Management and Education** (Affiliated with CCS University)   **Graduated May 2025**
  Bachelor of Computer Application (CGPA: 7.00/10.00)   *Mohan Nagar, Ghaziabad*

- **Nutan Vidhya Mandir, Dilshad Garden**   *Commerce with Mathematics (65.0%)*
